

WELCOME TO THE BEADCOOP NEWSLETTER

5/10/06

We've had some fun new patterns posted at the "Coop" this month. Don't know about you, but I'm always amazed by the talent of this great group of people! Following is just a small sample of the patterns that were posted during April.

DID YOU KNOW??

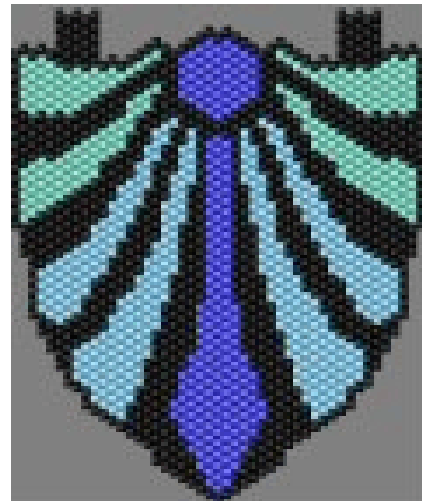

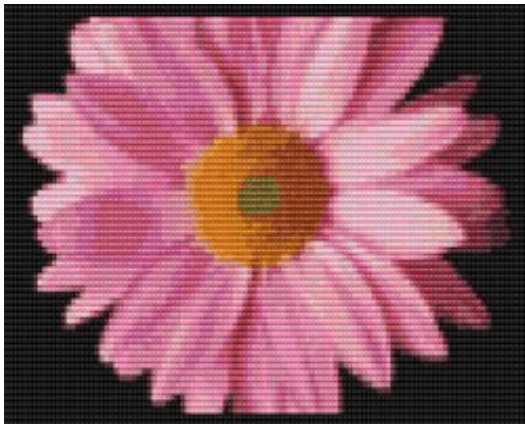

There are two very fun features on the BeadCoop! Every month, our mother hen lays an egg on a pattern somewhere! Clues will be given, and prizes awarded from a random drawing among the winners! A new hunt begins each month. Click on the Egg Hunt banner in the upper right hand corner of the "Coop" to get more information!

There is also a "Pattern of the Month" club. Each month features a theme, and if you purchase the club feature, you will receive a bunch of "Coop" patterns at a substantial savings! Again, click on the "Pattern of the Month" club banner in the upper right hand corner. (It rotates with the "Egg Hunt" banner).

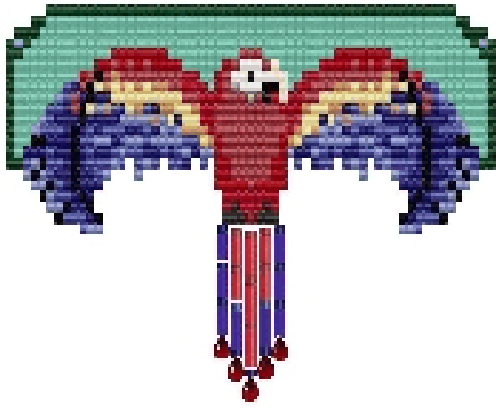

Also.... Are you looking for something particular in a pattern but just can't find it??? Post what you are looking for at the "Bead Coop Group" forum, and you may just get a designer willing to "hatch" that pattern for you!
