### WHAT'S NEW

Check out the all new GALLERIES option in the Community section.

This is an area for YOU, our members, to show off your work! We want to see all the various ways that you have used to finish off the patterns for sale on the Coop-that's the only requirement! It must be a pattern from a designer on our site. It's FREE!!!

Our WONDERFUL NEW WEB TECHNICIAN has developed a self-upload system for it so that you can upload and manage your information yourself! What a great way to show others your finishing techniques, color use and beading expertise!

Thank you for sticking around, the best is yet to come!

THANK YOU!!

#### ABOUT-BEADS.COM

Hi,

I'm enjoying making patterns so much that my beading time is cut down to next to nothing.

My husband Karl and I own [www.About-Beads.com](http://www.About-Beads.com)

Take a look at our site because we sell every color of delicas at great prices. I also sell my patterns on CD on my site. They are a bit more expensive, but you get so much more information on a CD.

I am the mother of three and the grandmother of 4 girls.

Karl and I and our dog and two cats live in Melbourne, FL where the Space Coast is and I can see the Shuttle take off from our front porch.

We are about an hour and a half from

Orlando and previously lived in Michigan and Arkansas.

I hope you like my patterns and feel they are worth the price.

Teddy Bear Hugs,  
Suzanne
