

***Does anybody know what time it is?
It's Busy-Beading Time!!!***

We are quickly, quickly running out of beading time for those Christmas gifts!

Some of our designers sell finished items of their own patterns, offer kits, offer gift certificates and/or will bead for you, too. You can search on The BeadCoop for the gift certificates, books, kits, cds, etc.

And the pretties that were the entries in our contest!

***Congratulations to all our winners!!!
Thanks to all our designers who donated the wonderful goodies for prizes!!!***

Here is the link to go check out the wonderful talents of our contestants:

Egg Hunt and POTM Continue due to very popular demand!!!
Check out the side bar on the left side when you visit the coop for the links to these wonderfully fun parts of our little bead-yard!!!
The egg hunt consists of looking through the site's patterns to help our Mother Hen find her lost egg! The link on your side bar will take you to all the complete details!

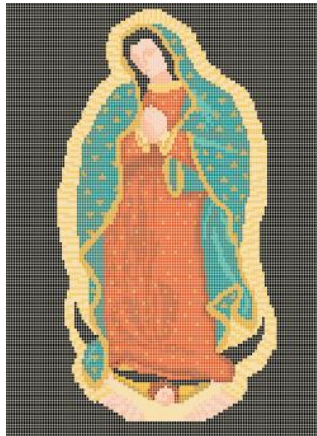

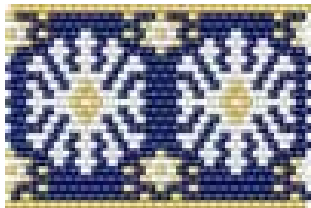

The POTM consists of Pattern of The Month which will help our designers as well as customers hone their skills as well as developing a nice palette of colors. Check out the details on POTM in your sidebar links!

Patterns, of course!

A great, big round of clucking and wing-flapping for all the breath-taking patterns our designers are posting for all of our beading pleasures!

Out Of The Flames, Silverhill Designs, MaddiethKat, Sandot, Sees Beyond, Tica...wow! Just everyone is just SHINING this holiday season with his or her talents!
